

Serial No. N/A
Preliminary Amendment dated December 2, 2003
In Reply of N/A

R E M A R K S

This Amendment has been filed to restrict this divisional application to the nonelected apparatus claims of the parent application 10/118,329.

As this application is a divisional application, and only apparatus claims remain, early examination is requested.

Claims 19-22 and 27-41 remain. Claims 19 and 31 are in independent form.

It is believed that no fee is due for this submission. 22 claims have been cancelled and 15 claims have been added, for a total of 19 claims. Should that determination be incorrect, however, the Examiner is hereby authorized to charge any deficiencies to our Deposit Account No. 19-2105, and notify the undersigned in due course.

Should any outstanding formal matters or other issues remain, please call Terrence Brown to resolve such.

Respectfully submitted,

Date:

December 2, 2003

Terrence L.B. Brown
Attorney for Applicant
